Information for Educators During the COVID-19 Pandemic

During these unprecedented times, the Indiana IEP Resource Center (IEPRC) will continue to support districts and schools to improve outcomes for students with disabilities. COVID-19 has significantly impacted how we provide services. The IEPRC staff recognizes the need to expand upon available options in order to meet the changing needs of Indiana educators.

Join us for Virtual Office Hours (VOH) to ask questions about Indiana IEP (IIEP) and topics in Special Education. Each session will feature IIEP updates, discuss IIEP development plans, and answer questions from participants. VOH sessions take place the second Wednesday of every month from 11:30 am - 12:30 pm (ET) through May. To participate in VOH sessions, [complete the online registration](#).
