

# Conversations with Authors

The Indiana IEP Resource Center is hosting another year of Conversations with Authors. If you are interested in learning more about trending titles directly from the authors, consider joining the conversation! Each author will provide an overview of the content within their book and how the information can positively impact educators and/or their students. A new author will be featured each month. Most sessions will take place virtually from 10:00 – 10:30 AM (EST) the third Thursday of the month from September through June. Sessions will be recorded for individuals to watch at their convenience if they are unable to attend the scheduled sessions.
